### Matters Arising

- BS reported back on Chairs/Committee meeting regards his questions answered by Terry Donovan informing that EB are doing their own review and a report will be circulated in the coming dates, a date for which he would not confirm.
- BB proposed the National League Under 13s league being allowed to be mixed as nowhere for U13 girls to play.
- Discussion ensued around some teams turning up and not having the required amount of players as per the EB rule book, 42.3 teams must field 8 players minimum. Discussion around should there be a penalty for teams who turn up without the required amount.
- BB to write a letter to Trevor Lowes convenor of competitions. ND to circulate along with the minutes.
- BC stated LG has been working with North Yorkshire and Humber area representation about an U13 girl's league on Triangular fixtures. Would like to know if RMC would support this idea. All agreed that we would, as we have been successful piloting boys league, run the league. BS to contact Trevor Lowes regarding it being an EB league or a purely piloted Regional League. BS to liaise with LG on this after he has contact Trevor Lowes.

### **Financial Update**

- Balance currently stands at £8,545.35
